

Dominican Experience

«Opening to the world»

Fair trade Tourist
be **award**
Contribute to sustainable development!

If you are planning a trip in Punta Cana, La Romana or Santo Domingo we can organize a day tour for you and your family!

Our concern is fair trade tourism. This allows us to develop and encourage the local economy and sustainable development of people who are part of the great family of the Dominican experience.

OUR TEAM ... The Dominican team which animate the Dominican experience in the field is composed of professionals and dynamic people. The team receives annual training on the situation in their country.

THREE OPTIONS FOR THE TOURIST ... visit a community (batey Ehoscarduna) in the premises and take a meal with a family - visit an orphanage 170 children (NPH) and take meals with children. Visit the cooperation of the Dominican experience.

The package includes: a meal, visit mentioned in the program, all transfers, services of a Dominican animator in English or French - taxi from the hotel to the place visited.

Price: \$ 149 / per person

To register: Fill out the registration form attached.

Capacity: minimum 2, maximum 6
